# BAYOU BRIDGES BOUCHERIE HOSTING INFORMATION

## What is it?

A one-day community “boucherie” of learning and laughter that aims to support teachers in better understanding how to leverage the new Bayou Bridges curriculum materials. These are grade-level and unit-specific days designed to maximize learning time for all participants. Attendees from ANY district are invited to participate at the host site.

We spend the first half of the day digging into the unit materials- understanding what’s in the curriculum, analyzing assessments, and digging into unit sources.

We spend the second half of the day experiencing a lesson and learning effective moves to transfer to our own lesson planning when we get back to our home districts.

## Incentives

- Host districts receive:**
- 5 free registrations/day
  - Discounted price for in-parish teachers
